

Directions to the Moose Mountain Snowshoe Challenge

From Sheep Creek or Goldstream Road, turn on Murphy Dome Road (follow signs to Ski Area).

After 1.9 miles, turn RIGHT on Spinach Creek Road (just past a gravel pit on the right).

Immediately turn RIGHT on Moose Mountain Road and follow it to a T.

Turn RIGHT on Moose Mountain Road at the T and take the road up the mountain.

After 1.8 miles turn RIGHT on Monteverde Road. There currently is not a street sign, but Monteverde is the 4th road on the right (the next one after Portillo). If you miss the turn you will end up at the ski rental shop.

Park on the right side of the road, just past the first driveway.
